

April 10 - You Are Perfect

April 10, 2025

(Alas, the giant is also inside of you. It is our satanist brainwashing.)

You are perfect.

God is perfect. You have a spark of Divinity in your soul.

Western society has been subverted by Satanists who have brainwashed us to think God doesn't exist. This is because they have taken his place. They have persuaded many we are "hackable animals" with no soul. They can't have us obeying God when we are their slaves.

Thus we suffer from mistaken identity. Instead of identifying with God within, we identify with our brainwashing: Money, sex, power and fame, all surrogates for the Bliss that resides within.

This is the cause of addictive behavior.

The grand strategy is to dispossess and enslave humanity using contrived war as a pretext.

All world wars are started by Satanists on both sides in order to depopulate the world. The trick is to make these satanic sacrifices look inevitable, patriotic and heroic. Trump, Putin and Nertanyahu all belong to this cult. They and the Islamists

are all

The giant that's
in front of you is never
bigger than the
God who's inside of
you. Amen!

Freemasons. FDR, Churchill, Stalin and Hitler were all
Freemasons. We are being had!

God speaks to all of us but most don't hear Him. We are all
really seeking God - absolute Bliss, Justice, Truth, Beauty, Love
-- in the wrong place. God is Perfection. Perfection is within our

soul. We need to assert our real Divine identity in order to experience it.

Satanism is the secret religion of the West. We have been inducted into Satanism without knowing it.

WWIII: The king of Paras will destroy the world

<http://www.dani18.com/index.php?show=ZEREK73E>

(<http://www.dani18.com/index.php?show=ZEREK73E>).

Quote: "What is written above refers to the destruction of two thirds of the nations of the world. However, if Am Yisrael does not return to Hashem and do teshuva, G-d Forbid, their situation may also become much worse." The kabbalists are planning to kill off the secular dross of the Zionist state, also.

Everyone can sense that the situation throughout the world has reached a dead end. The question remaining in people's minds is not will there be a world war 3 but rather, when? When will WWIII break out? Anyone who is realistic realizes that according to the types and amounts of weapons the countries possess, there is no way anyone can protect themselves and stay alive - at least, no way short of a miracle."

(Rebbe Fingerer)

The world is controlled by a satanic cult - Cabalism, Freemasonry -- that wants to kill all non-Satanists.

Iran and the End of Days

(<https://mishpacha.com/iran-and-the-end-of-days/>).

Quote: "Do not become despondent, because until there is the war with Iran, Mashiach will not come."

The lunacy continues: Quote: "The Last Generation. We are the generation that can make the ultimate difference. We are the generation who recently saw nissim geluyim, G-d manifesting Himself in open, revealed miracles, and we are the ones who will, G-d-willing, bring Mashiach and see the era our ancestors dreamed of, hoped for, yearned and pined for, aspired to for thousands of years.

The cursed, cast-off rebels of Judah are a curious mixture of narcissism, wickedness, and childish naivety.

Chuck Baldwin--It's Time For Christian Zionists To Put Their Money Where Their Mouth Is

(<https://chuckbaldwinlive.com/Articles/tabid/109/ID/4741/Its-Time-For-Christian-Zionists-To-Put-Their-Money-Where-Their-Mouth-Is.aspx>).

"Since Israel broke the ceasefire agreement and resumed its genocide of the Palestinians in Gaza almost a month ago, the IDF is deliberately and wantonly slaughtering over 100 precious, innocent little children every day. And there is barely a peep of protest by so-called Christians.

And why should we expect anything different? Evangelical "Christians" have cheered for Israel's mass murderous genocide and ethnic cleansing of the Palestinian people from the beginning--going all the way back to 1947.

This is due to the pervasive acceptance amongst evangelicals of the heretical and blasphemous doctrines of Prophetic Dispensationalism, aka Scofield Futurism or Christian Zionism.

All over America, evangelicals--in public and private--justify this murderous carnage in Palestine on the outlandish and cultic belief that the Zionist State of Israel is a revived Old Testament Israel and, therefore, has divine justification to commit ethnic cleansing and genocide against the Palestinians on the basis of God's

command to the prophet Samuel to use Israel as an instrument of divine judgment upon the Amalekites in I Samuel 15."
